# REPEAT after me

**Repeat after me** is a third-person puzzle game, in which the player tries to escape an almost magical confinement with the ability to create copies of themselves at any time that then loop through the last executed actions.

The multiplayer  
game for  
singleplayers

Luca Roderus

# PAINFUL FEELINGS

The story of a widow, who is knowingly avoiding her beloved husband's memory to protect herself from the shock of his death.

A 2D animated short for anyone, who has experienced loss or felt overwhelmed by events out of their control.

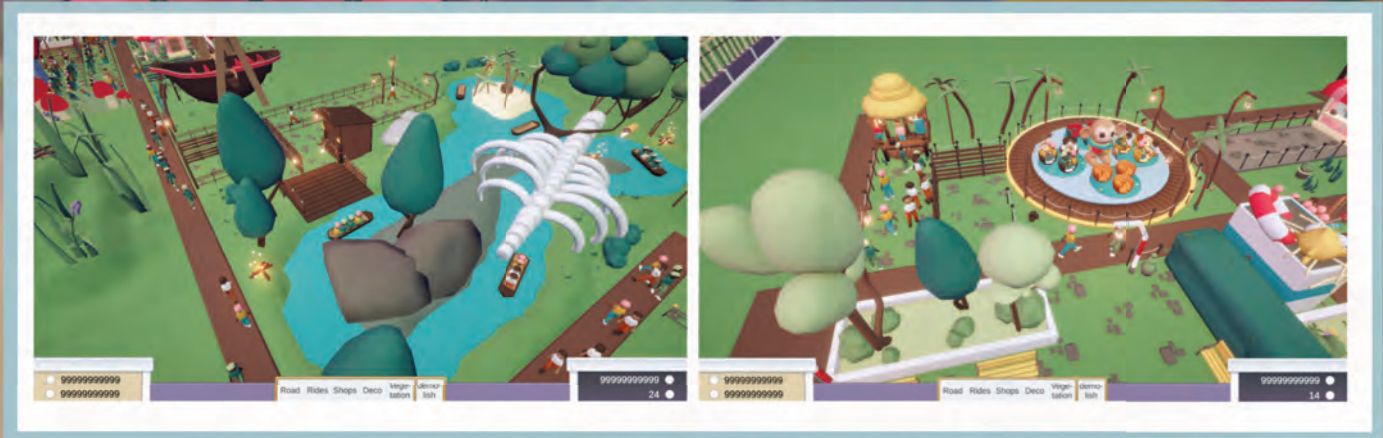

“Welcome to Happy Park,  
where your dreams come true:  
Play god, build and manage your own  
theme park, sacrifice visitors to the  
dark lord and most importantly:  
Don't forget to have a  
good time!”

This quirky game puts a twist into the classic  
building and management genre by merging it  
with true crime and cults. Are you ready to  
become a cult lead... ehem.. park owner?

# HEAVY BURDEN

A fantastical stone creature moving through a dense and dark cave environment portraying its mind. During its journey it keeps picking up boulders and stones, representing negative emotions and experiences that block its path as well as glowing crystals that represent the positive moments.

Production Manager, Compositing/Rendering, VFX Paulina Heuser | Director, Vision Keeper Sima Spielmann

Character Design, Character Modeling, Animation Mariia Maiorova | Environment Design, Environment Modeling, Animation, Lighting Veesuda Tangguay

Storyboarding, Rigging/Skinning Sound Manager Isabell Staiger

# FLORAL FRENZY

Welcome to Petal Pit

Stranded in a mysterious village whose residents seem nice at first but make living there dangerous and scary, you realize you have to find a way out of there. Through cultivating flowers you can gain the trust of the villagers who might be able to help you repair the trainstation destroyed in an explosion.

## STAY WITH ME

A young child of divorce is snapped out of her false reality as the parents' conflict takes on overwhelming proportions...in the truest sense of the word.

Stay With Me is a lighthearted drama combining live-action with 3D animation, crafted to entertain and make people laugh, despite dealing with a rather serious topic.

# WELTEN DÄMMERUNG

JOHANNES AVERBECK, LARA MEYER, LINUS STEFFENS, TNUHAT ABBAS, TILL SCHÄFER

After her world got swallowed by a celestial being, Gwyn has to fight of other survivors on the inside, who will not hesitate to attack you.

Weltendämmerung is an action game that wants to challenge you by requiring you to think about when to attack and when to dodge the attacks of you enemies. While her attacks are fairly slow, Gwyn can dash that lets her get out of dangerous situations quickly. Combining attacks and the dash will lead to victory, but only for the time being, since Gwyn continuously loses health, that can only be gained back by fighting her opponents or at certain spots in her home world.
